Subject: Application for initial safety training approval and authorization to issue cabin crew attestation

The Icelandic Civil Aviation Administration (ICAA) has reviewed Keilir Aviation Academy (IS/FTO/004) application for initial safety training approval and authorization to issue cabin crew attestation in accordance with regulation EEC 3922/91 Annex III, art. OPS 1.1005(c) & (d).

After thorough review of the application, it is ICAA's conclusion that the application meets the requirements specified in OPS 1.1005 and Keilir Aviation Academy is hereby authorized to conduct initial safety training for cabin crew and to issue cabin crew attestation.
