

Student Housing

Keflavík Airport Campus is a student campus located next to Reykjanesbær and Keflavík International Airport, only a 30 min. drive to Reykjavík, capital city of Iceland.

The Keflavík Airport Campus

Keilir, Atlantic Center of Excellence is developing an educational community on the site of the former US Military Air-Base in Keflavík. Today the habitants at the educational community Campus are approximately 1800 living in 700 apartments at the Student Housing (Háskólagarðar).

The monthly rental price is favorable and all students are eligible for rentals as long as they fulfill the academic qualifications. Internet access and transportation between the Student Housing and other universities in Reykjavík are included in the monthly rental.

The Keflavík Airport Campus community is well suited for individuals as well as families. On-site there is an elementary school, playschool, good facilities for outdoor activities, playgrounds for the children and open places for barbeque.

There is an excellent restaurant on Campus, hair salon, bars and a coffee-house is within reach. All other services are close by in Reykjanesbaer where you can access shopping centers, restaurants, bars, shops and other services as well as athletic facilities and other entertainment for children and adults.

You can buy all necessities at a supermarket which is located on the Campus as well as a fitness center and a sport center. The campus is located next to Keflavík International Airport and is also a 30 minute drive from to the capital city center.

Keilir is in charge of Keflavík Airport Campus. Its role is to offer students at Keilir and other universities convenient and well-placed housing at a fair price.

The housing comes in all sizes. There are one person apartments and apartments for two individuals, apartments for couples, and family apartments with one, two, three or four bedrooms.
